

With the cancellation of the 2020 Special Olympics Ohio State Summer Games due to the COVID-19 pandemic, the Ohio Law Enforcement Torch Run, along with the support of law enforcement statewide, will still host the annual Torch Run – **VIRTUALLY!**

June 18th - June 28th

What is a virtual run? Virtual running works exactly the same as any other type of running - the difference is that the entered race can be run at any location, at any pace, inside on a treadmill or outside anywhere! This year we are inviting all registrants to participate as they choose: running, walking or riding your bike.

The Law Enforcement Torch Run® Campaign raises important awareness and funding for Special Olympics Ohio. The annual statewide Torch Run, which traditionally precedes the state Summer Games, is the heart and soul of the Law Enforcement Torch Run Campaign. This is the most symbolic event with Guardians of the Flame® carrying and presenting the Flame of Hope to start the Games.
